PERFECT

Erasmus+ Project

Conceptual Model

Main Aim

- To develop a Holistic Method;
- Focus on Key Transversal Competence;
(cultural awareness and expression, citizenship, multilingual, digital, entrepreneurship, personal, social, and learning)
- Provide a transnational experience;
- Create a Cultural Product: music, performing arts and digital skills
- Instill interest in Historic Research, Literature and Art History.

Backing Competence Framework

The Joint Research Centre of the European Commission has drawn a Competence Framework for Professionals on Transversal Skills namely **LifeComp**.

LifeComp Conceptual Reference Model focuses on the Personal, Social and Learning aspects. It is the basis of the PERFECT Project

Other Foci

- The importance of Aesthetic development;
- The attainment of skills identified through Competence Boats.

PERFECT

Process Model

Processing is mainly addressed in two ways:

- Through Community Maps;
- Through the research, discussion and build up of the chosen main historical character.

The Arts as Tools

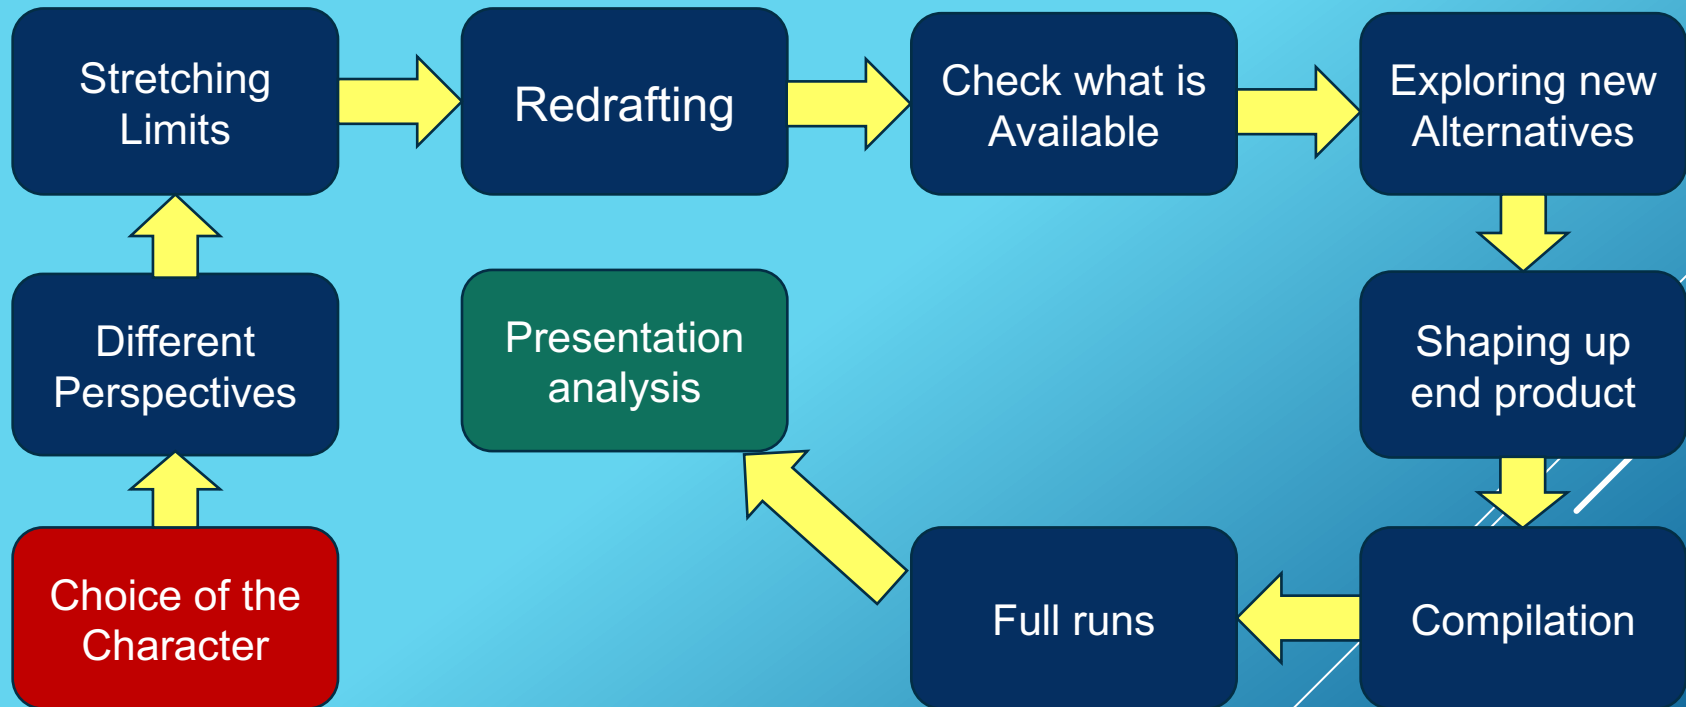

The Arts are the heart of this Project. One has to be open to and expected to work, by using:

Theatre,
Music,
Dance,
Visual Arts,
Multimedia,
Digital art.

Presentation Driven Model

The Presentation Driven Model presents one way how to work on an artistic presentation.

Conclusion

In any type of presentation,
the Performer/Artist is not the only one valued
but
it is the Group Effort of all involved that is
valued.

The PROCESS is as important as the End
Result.
